

*This is a 4x6 postcard. The document size is 4.25x6.25, but the blue border is what the postcard will be trimmed down to. Your background artwork should extend to the edge of the document, but text should be placed within the pink border.*

The diagram shows a rectangular area representing a postage label. It is divided into two main sections. The top section is a light red rectangle, outlined with a dashed red line, which is further enclosed by a dashed blue line. The bottom section is a light blue rectangle, outlined with a dashed blue line, which is further enclosed by a dashed red line. The red section is on the right side of the top half, and the blue section is on the left side of the bottom half. Text is placed within these sections to describe their purpose and dimensions.

This red area is the address and indicia zone.

It is 2.4in wide.

Make sure you do not have any artwork or ink here.

This is the USPS barcode zone. It is 5in wide and 0.625in tall. Make sure there is no artwork or ink here.
